## Old Business:

### College Project

Bill Justus summarized the 2016 College Project in which our chapter members helped with the construction of the MACC greenhouse. As the greenhouse could not be completed due to weather it is hoped that the chapter will continue to be involved in the remaining construction this year and as a result of their participation be able to utilize the greenhouse to grow their own vegetables, flowers, and trees for sale to the public as a fundraiser for the 2017 year and potentially beyond.

### Honors In Action Project

Jessica Slagle presented a review of the HIA project for 2016 in which we attempted to develop a poster board presentation on the history and use of the Confederate Battle Flag and the controversy currently surrounding that flag. She described the difficulties the chapter members had in accomplishing their goals for the project as well as discussing the lessons learned in the process. For the sake of the new members present Michelle Scanavino reminded everyone that PTK operates on a calendar year and not on an academic year.

## New Business:

### Orientation Meetings

Moberly reports 6 students attended their meeting. Hannibal reported that 3 students attended their meeting. Columbia has 10 attend their meeting.

### Spring Membership Drive and Induction

The membership drive is in progress through May 14th. To date we have had 41 new members.

Spring Induction is scheduled for March 24th 7-9 pm in the Auditorium. Dr. Glover will be doing the welcome. Dr. Clanton C.W. Dawson, Jr. will be our featured speaker. Westminster College is once again our sponsor. Sites are reminded to select a Glaux award recipient from their site as soon as possible and let Bill Justus know by March 17th so that their names can be included in the program.

### Missouri Region Conference

The conference is scheduled for March 17-19 at the Camden Hotel in Branson MO. Advisors attending include Bill Justus, Michelle Scanavino, and Don Tennill. Members include Donna Lester, Jessica Slagle, Haris Zugor, and Joseph Naylor. Bill Justus will be sending out an email to all registered to attend with details on the trip agenda and on the conference.
